Privacy Solutions' Protection Services

Welcome to Privacy Solutions' Identity Recovery Package.

Identity theft is the fastest growing crime in our country. Each year an estimated 9.9 million Americans have experienced some type of identity theft. Amounting to an excess of time and money spent trying to set the records straight. To help curtail the devastating financial burdens that could be accrued, we've included a policy from AIG\* designed to help protect you from falsely incurring extensive debt and to help with extensive legal fees.

**AIG Personal Internet Identity Coverage Policy covers \$25,000 with no deductible.**

Should you become a victim of identity theft, restoring one's name and good credit is a time-consuming and expensive process. Victims must endure a number of costly steps to dispute fraudulent debts and accounts opened by an identity thief. For this reason, members of American International Group, Inc. (AIG) have developed this unique group insurance policy. This Personal Internet and Identity Coverage Policy (PIIC) provides you with expert assistance and financial relief.

### Coverage Highlights

AIG Coverage provides unparalleled customer service, income protection and expense reimbursement.

AIG has dedicated support professionals that understand that identity theft is a traumatic, criminal event. Each call is handled with a high level of sensitivity. Trained specialists are available 24/7 and will assist victims until their crisis is completely resolved. In addition, an ID Theft Recovery Kit, complete with form letters to send to creditors and bureaus, is provided to each identity theft victim.

#### Income Protection

Coverage is provided for lost wages as a result of time off work related to a stolen identity event.

#### Expense Reimbursement

Expenses related to the recovery of your identity, including defense costs for certain civil suits, re-filing for loans and reimbursement of fees are covered.

### AIG Means Strength and Service.

The AIG Identity Theft and Fraud Division, a division of the property and casualty insurance companies of American International Group, Inc. (AIG) creates, underwrites and markets insurance products and related services which address the risks of fraud to consumers and businesses within the U.S. and other countries.

Our consumer products address identity theft, fraud perpetrated on individuals and damage to personal computers resulting from malicious viruses. Our commercial products address identity theft liability and specific types of fraud within the plastic card payments system. AIG is the world's leading international insurance and financial services organization, with operations in approximately 130 countries and jurisdictions. AIG member companies serve commercial, institutional and individual customers through the most extensive worldwide property-casualty and life insurance networks of any insurer.

### Privacy Solutions' partnerships provide extended protection.

With the inclusion of our insurance package, the services Privacy Solutions offers go well beyond protecting your identity. We also protect you. By covering losses incurred by criminal action as well as by absence from work and extensive legal fees, Privacy Solutions makes the recovery process not only tolerable, but also absolutely possible.

At Privacy Solutions, privacy protection is our business—you are our priority. We look forward to serving you.
